BOLD WHITE

PART AGED UNDER THE SEA

Chardonnay and Viognier blended together in Bold White bring a rich, audacious white wine, where freshness and creaminess collide with unique aromatic complexity.

Being submerged in the sea elevates these characteristics, introducing refreshing mineral notes that revolutionise each sip and transform each glass into an unexpected, fascinating experience.

RICH RED

PART AGED IN WHISKY BARRELS

The combination of Tempranillo and Cabernet Sauvignon creates a delicate, full-bodied red wine with a unique balance of fruity and spicy nuances.

Its partial ageing in whisky barrels adds depth, aromatic complexity and a slightly rebellious streak, ideal for those seeking something out of the ordinary.
